We are inviting applications for new Members to help direct the Auckland Women's Health Council

Who we are:

We are a voluntary organisation who provide a feminist voice on women's health issues by making submissions and informing the public and decision makers.

See womenshealthcouncil.org.nz and facebook.com/womenshealthcouncil.org.nz for more information

What we can offer you

Experience making submissions on new regulation and law

An opportunity to volunteer with experienced and passionate women's health advocates

The chance to contribute to research and writing with a larger purpose.

Who you are:

You could be: a law, politics or health student; a member of a feminist organisation; or someone who would describe themselves in the following terms:

- ◆ You identify as a woman and a feminist
- ◆ You believe that:
 - ◆ Women's voices are important
 - ◆ Health services should address the needs of women
 - ◆ Informed choice is vital
 - ◆ Women should have the right to choose
 - ◆ You can commit to monthly meetings
